*Please check with our office or your customhouse broker close to these dates. Mexican Customs does not necessarily close on these dates.

This list is for general reference purposes only; Customs schedules are subject to change without notice and may vary by port of entry.

Note: March 11- daylight saving time begins in most parts of the U.S.

November 2 - daylight saving time ends in most parts of the U.S.

Exporters should be aware that over-dimensional shipments have restricted or limited transit times in Mexico during Easter week and the Christmas holidays (typically the last two weeks of December and the first week of January).
